Partnering through prayer for global transformation

Missionary Prayer Focus

"Fear not, for I am with you; be not dismayed, for I am your God. I will strengthen you, Yes, I will help you, I will uphold you with My righteous right hand." - Isaiah 41:10

One of the greatest ways to actively be involved in what God is doing across the nations is by praying. Global Partners (GP) is asking for focused prayer this week for the L* Family. Due to security, we are highlighting the work on the field and our missionaries. Names have been changed for privacy and protection.

The L* Family was appointed to serve in The Balkans in 2024, and hope to move to The Balkans in the spring or summer of 2025. In the midst of building faithful and generous partnerships with individuals and churches, they ask for prayer over the following.

They are **praising the Lord** for new teammates who are helping them find new housing, language tutors and childcare.

Praise the Lord for his faithfulness during this season of transition. Pray that God's way would be made abundantly clear and that He will be faithful to provide the resources.

Pray for the students at the Youth Center to have an eagerness to learn about Jesus and for spiritual bondage to be removed.

Pray that they would be sensitive to "holy moments" as they prepare to meet with individuals, families and churches.

Pray for their children as they begin to process what it means to move to The Balkans.

Pray continually for the L* Family and for deeper connections to be made with believers and churches around The Balkans.
