## Prayers for Spain

Spain has a long history of religion; however, their pursuit of religion and ritual has clouded their pursuit of a personal relationship with Jesus. Over the past several decades, the Church has made increasing efforts to bring the Gospel to Spain. Although many people have been reached with the Gospel, there are still 15 people groups who are unreached.

What is an Unreached People Group (UPG)? An UPG virtually has no followers of Jesus and no known movements to Jesus and still needs cross-cultural workers. Read more about who these people are and how they are being reached.

Global Partners desires to reach the lost and share the hope of Jesus to those living throughout Spain.

Global Partners has one family serving in Spain. As disciple-makers, they are committed to sharing the gospel message of the Kingdom of God with every person in their area. They long to see each person experience a meaningful relationship with God through Jesus. As followers of Jesus, they desire to love others and add tangible value to the community.

- **Praise God** for those who have answered and are following the call to share the love of Christ around the world.
- **Pray** for the church in Spain to reach out to the unreached, including immigrants, youth, and those who are spiritually disengaged.
- **Pray** for a spiritual revival in Spain, that individuals would encounter the truth of the Gospel and experience a transformation of their hearts. Pray for the church to be strengthened and for new church plants to be established.
- **Pray** for the government and leaders of Spain to be guided by wisdom and integrity. Pray for justice and peace in the nation.
- **Pray** for the protection of vulnerable populations and the promotion of justice and righteousness.
